Subject: WGC2023 Invitation to Exhibit

Dear Geothermal Partner,

We hope this letter finds you well. It is with great pleasure that we extend an invitation to you and your valued company to participate as an exhibitor at our upcoming World Geothermal Congress 2023 in Beijing scheduled 15-17 September 2023.

The World Geothermal Congress 2023 is a highly anticipated gathering that brings together industry leaders, professionals, and enthusiasts from the global geothermal sector. It serves as a platform for networking, showcasing the latest advancements, and fostering collaborations within the industry. We believe that your presence as an exhibitor will greatly enrich the event and offer invaluable opportunities for exposure and business growth.

As an exhibitor, you will have access to a dedicated booth space to showcase your products and services and interact directly with a diverse audience of potential clients, partners, and industry experts. This will provide you with an excellent platform to demonstrate your offerings, highlight your unique selling points, and engage with key stakeholders in your target market.

By participating as an exhibitor, you will benefit from a range of advantages, including but not limited to:

1. **Brand Visibility:** Your company name, logo, and booth information will be prominently displayed in our event marketing materials, website, and social media channels, maximizing your brand exposure to a wide audience.
2. **Networking Opportunities:** You will have the chance to connect and build relationships with industry professionals, decision-makers, and potential clients during the event, facilitating new collaborations and business prospects.
3. **Market Insights:** The event will offer valuable insights into market trends, emerging technologies, and industry best practices through keynote speeches, panel discussions, and interactive sessions, enabling you to stay at the forefront of your field.
4. **Media Coverage:** Our event attracts media representatives and industry influencers, providing an opportunity for press coverage and additional exposure for your company.

Our Chinese Host has opened a dedicated platform from which all relevant information can be retrieved – www.wgc2023.com. Should you have any questions or require further information, please do not hesitate to contact support@wgc2023.com.

We sincerely hope that you will accept our invitation to exhibit at World Geothermal Congress 2023. Your participation will undoubtedly contribute to the success of the event and offer valuable exposure for your company.

Thank you for considering our invitation, and we look forward to partnering with you to create an outstanding exhibition.
